News

This is the winter edition of the Silver Square Lofts newsletter, which will provide you with news and events related to the property, the home owners association, and the RiNo community. This newsletter is planned to be distributed quarterly, and we encourage you to provide feedback about ideas you have for content.

The upper deck of building 3377 will be getting a makeover, including sanding, power washing, board replacement, setting screws and staining.

Please do not walk on the deck during the project. It is expected that the deck area will be completely blocked off during the repair process. If you have items on the deck please remove them soon. The work was scheduled to begin February 1st, but was postponed due to weather conditions, the rescheduled date has not been announced yet.

Website

Silver Square has a new website for the Home Owners Association to communicate with owners and tenants. Please bookmark this site and use it to find contact information and the newsletter archive: <https://silversquarehoa.com/>

Facebook Group

Silver Square has a Facebook Group, we encourage you to join and start communicating with your neighbors: <https://www.facebook.com/groups/silversquarelofts/>

Events

The next open board meeting is scheduled for Wednesday February 8th at 6:00pm. The meeting will be held in the lobby of building 3309, and all owners are welcome to attend.

The next [RiNo Neighborhood Meeting](#) is on Thursday February 9th. The meeting will cover the professional bicycle race and festival coming to RiNo in August.

Upcoming events like the Mile High Beer Fest and Brighton Coffee and Construction Meetings are listed [in the event calendar](#).

Reminders

Be sure you lock your cars, even when they are parked in the gated lot. A suspicious person was spotted climbing over the West fence on Saturday Feb 4th about 5AM. The police were called, but the person got away.

Use the Contact Info below to make sure Sentry Management has your current phone number and email address (for both owners and tenants) so you don't miss any important announcements or emergencies. Make sure you add communityassociation@sentrymgt.com to your Contacts, or whitelist sentrymgt.com and sentrydenver.com so the e-mails will not get blocked.
